(BRANCHBURG, NJ) -- **The Institute of Holocaust and Genocide Studies at Raritan Valley Community College** will present an online screening of *Shoah Ambassadors* on Friday, October 21 at 10:00am. There is no charge for the event, which is part of the Institute's Learning Through Experience series and is geared for students, educators, and the community.

As two, young non-Jewish individuals engage on a unique and creative journey, the one-hour documentary bridges the chasm of today's younger generation with that of the Holocaust generation. A question-and-answer session with the film's director, Keith Famie, will follow the screening.
